

Serial No. 10/601,369

REMARKS

The Office Action dated April 22, 2005 has been carefully studied. To expedite issuance of a patent, claims 7-10 and 17-20 have been canceled without prejudice to the filing of a continuation application. Reconsideration of this application is respectfully requested.

Examiner Dexter has allowed Claims 1-6 and 11-16 of the present application. Thus, the present application is in condition for allowance, as claims 7-10 and 17-20 have been canceled.

In view of the foregoing amendments, it is believed that the application is now in condition for allowance and such action is respectfully requested. If any points remain in issue which the Examiner feels could best be resolved by either a personal or telephone interview, he is urged to contact Applicant's attorney at the exchange listed below.

Respectfully submitted,

Wen-Ya Yeh
